For additional information on the training please contact Silke (Administrative Assistant) at 307-635-7826. To register for the training, send to Silke by email or phone the following information: your name and the training location you wish to attend sflynn@casat.org.

Mr. Burden has worked in the field of mental health and substance abuse treatment since 1973. He has been a counselor, supervisor and director in day treatment, outpatient, intensive outpatient and inpatient treatment programs. He has extensive training and consulting experience. Over the last 4 years he has been a certification specialist in Idaho, Wyoming and Nevada identifying provider strengths and deficiencies including the application of ASAM. His experience with the ASAM Patient Placement Criteria began in 1988 while assisting the state of Oregon to implement ASAM as method of assuring that clients received proper care in a managed care environment.
